

V01442

R10 TILE BRITE™ CONCENTRATED MILD ACID RESTROOM CLEANER

Description

This product is a heavy duty, cleaner that is chemically designed to remove heavy soap scum, body and tanning oils, mineral deposits and other soils found in all areas of the restroom including tile and grout surfaces, countertops, sinks and toilets.

Product directions

Not effective against rust stains. Use on acid resistant surfaces only. Do not use this product on marble, aluminum, terrazzo, Formica® or carpeting. Test in an inconspicuous area before use. Contains acids. Do not use with bleach, ammonia or any other chemicals.

Trigger sprayer bottles

1. Fill bottle using a Reliable Brand dilution control dispenser.
2. Apply to surface to be cleaned. Let stand for 5 minutes and rinse.
3. For heavier stains, agitate with a brush or sponge.

First aid

If inhaled, remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a poison center or physician. If swallowed, immediately call a poison center or physician. Rinse mouth. Do not induce vomiting. If on skin (or hair), take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. Immediately call a poison center or physician. If in eyes, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or physician. Store locked up. Dispose of contents and container in accordance with all local, regional, national and international regulations.
