CLASSIC SHINE™ FURNITURE POLISH

Description

Classic Shine™ Furniture Polish is a superior wood polish and cleaner that is formulated with a rich blend of hard wax, lemon oil and cleaning agents. It is effective for the removal of fingerprints, smudges, grease and some stains with no residual build-up. It is safe to use on fine wood furniture, cabinets, brass, ceramic and plastic tile, porcelain, leather and marble. When demonstrating the product for the first time, remove all existing polish from the surface prior to applying the furniture polish.

Product directions

Shake can, align tip with black dot on the rim and hold 6"-12" from the surface to be sprayed. Spray evenly on the soils to be removed.

First aid

Important: Please make sure your employees read and understand the product label and Safety Data Sheet (SDS) before using this product. See the label for use directions and the SDS for hazard warnings, precautions, first aid, storage and handling data.

To download current SDS information, please visit veritivcorp.msds.com.
