SATIN™ STAINLESS STEEL CLEANER

Description

Satin™ Stainless Steel Cleaner is a blend of cleaning solvents and fine oils that cleans stainless steel. It polishes and protects the surface without hard rubbing and does not leave an oily residue. With regular use, this product can help prolong the factory finish and will resist fingerprints, grease and water spots. It is also safe and effective to use on Formica®, ceramics, chrome, tile and porcelain.

Product directions

Shake can, align with black dot on the rim and hold 6"-12" from the surface to be sprayed. Use spray sparingly.

First aid

Important: Please make sure your employees read and understand the product label and Safety Data Sheet (SDS) before using this product. See the label for use directions and the SDS for hazard warnings, precautions, first aid, storage and handling data.
