MICRO METERED AIR FRESHENER MANGO SCENT

Description

Micro Metered Air Fresheners feature all the quality and performance of our standard sized metered products, in a convenient, compact size. Eliminate offensive odors almost anywhere you desire a fresh, clean environment.

Product directions

Remove cap from refill. Place refill in dispenser with spray nozzle facing outwards. Turn dispenser on, (select dispenser setting if applicable) and close door. Refills are compatible with most metered dispensers and will provide air freshening in areas 20' x 15' x 10.' 3000 metered sprays per can.

First aid

Important: Please make sure your employees read and understand the product label and Safety Data Sheet (SDS) before using this product. See the label for use directions and the SDS for hazard warnings, precautions, first aid, storage and handling data.

If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell.

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

If on skin: Wash off with soap and water. Get medical attention if irritation develops and persists.

If swallowed: In the unlikely event of swallowing contact a physician or poison control center.
