

V02335

LIGHT DUTY SCOURING PAD

Description

The Light Duty Scouring Pad is made of polyester fibers in a dense textured, nonwoven pattern, bonded with a sturdy adhesive.

Directions for use

Use with water or mild detergent to clean most delicate surfaces.

Construction

The Light Duty Scouring Pad is constructed of polyester fibers along with synthetic adhesives that will not be notably affected by water or cleaners used in standard maintenance.

Product care

To prolong the life of this product, it should be rinsed thoroughly after use.

"Green" initiative

- The polyester fiber used in our pads comes from 100% post-consumer and industrial recycled waste products.
- Water-based latex resins are used in the manufacturing process. No phenol-formaldehyde resins are used in our binding process.
- Shipping cartons contain at least 45% recycled material.
- Plant is operating under EPA approved Clean Air Permit.
- In-house water treatment has reduced our waste water flow by 83%.

Features/Benefits

An extra soft pad for use on delicate surfaces. Ideal for porcelain sinks, tubs and toilet bowls. Also works well for cleaning rubber, vinyl, ceramic tile, dishes, stainless steel, metal furniture and fixtures.
