

V01480

FLEET WASH VEHICLE WASH DETERGENT

Description

This economical liquid concentrate is a synergistic blend of special synthetic detergents, emulsifiers and wetting agents. Car and truck wash will quickly loosen and float away dirt, dust, grime, insects and road film. It contains no film-forming soaps and will not dull, water spot or streak painted surfaces, windows or chrome.

Product directions

Dilute 2 oz/gal or 16 mL/L (1:64) with water for removal of heavy soil or traffic film.

Dilute 1 oz/gal or 8 mL/L (1:128) for light soil.

In-line injectors and automated systems may use even less product to achieve the desired suds. Wash and rinse thoroughly.

First aid

If on skin, wash with plenty of soap and water. Take off contaminated clothing. Wash contaminated clothing before reuse. **If skin irritation occurs**, get medical attention. **If in eyes**, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **If eye irritation persists**, get medical attention.
