

# V00479

## WHITEBOARD/ CHALKBOARD CLEANER

### Description

The Whiteboard/Chalkboard Cleaner makes writing brighter and reading easier. It cleans and brightens without leaving a residue and restores your board to a like new finish. Effectively eliminating ghosting, smearing and smudging, it even removes old marker ink and is effective on all colors of dry erase ink and chalk.

### Product directions

Shake well before each use. May not spray when cold. Do not spray towards face. Use with adequate ventilation. Intentional misuse by concentrating and inhaling product can be harmful or fatal. Avoid overspray during use to prevent slip fall hazards and other potential damaging effects. Remove outer cap. Point valve opening toward board and spray a small amount on surface. Spread lightly over entire surface with a clean cloth. Dry thoroughly with second cloth.

### First aid

**Important:** Please make sure your employees read and understand the product label and Safety Data Sheet (SDS) before using this product. See the label for use directions and the SDS for hazard warnings, precautions, first aid, storage and handling data.
