

# 442274

## CHEWING GUM REMOVER

### Description

Chewing Gum Remover takes off chewing gum, candle wax, putty and other adhesive-type substances without leaving stains or residue. The product acts by freezing the matter, allowing you to scrape it away.

### Product directions

Shake can, align tip with black dot on the rim and hold 6"-12" from the surface to be sprayed. To remove, make sure to spray the entire adhesive-type substance.

### First aid

**Important:** Please make sure your employees read and understand the product label and Safety Data Sheet (SDS) before using this product. See the label for use directions and the SDS for hazard warnings, precautions, first aid, storage and handling data.

To download current SDS information, please visit [veritivcorp.msds.com](http://veritivcorp.msds.com).
