

V01493

INSTANT MILDEW STAIN REMOVER

Description

This product works as a mildew stain remover to quickly clean and whiten even the most difficult stains. Formulated with an odor counteractant and chlorine stabilizer.

Product directions

Use only in well ventilated areas.

1. Spray surface until thoroughly wet.
2. Let stand several minutes until mildew stains disappear.

Note: for lower odor, a foaming trigger sprayer is recommended. This product will cause permanent discoloration of clothing and carpet. Never mix this product with acids or other cleaning agents. May discolor aluminum and other soft metals. Test in an inconspicuous area prior to use on fixtures and appliances. Not recommended for use on glass or water based paints. Do not use this product on painted surfaces.

First aid

If inhaled, remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a poison center or physician. **If swallowed**, immediately call a poison center or physician. Rinse mouth. Do not induce vomiting. **If on skin (or hair)**, take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. Immediately call a poison center or physician. **If in eyes**, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or physician.

Store locked up. Dispose of contents and container in accordance with all local, regional, national and international regulations.
