

V01488

RESTROOM & SHOWER FOAMING CLEANER

Description

This foaming cleaner is the perfect convenience product for a variety of cleaning tasks. No mixing is required with this advanced, ready-to-use formulation containing three special solvents which quickly penetrate the toughest soils found in nursing homes, hospitals and institutions.

Product directions

1. Hold container 6 – 8 in from surface to be treated.
2. Spray area until it is covered with the solution. Allow the product to penetrate and remain wet for 5 – 10 minutes. No scrubbing is necessary.
3. Wipe off with a clean cloth, mop or sponge. The product will not leave grit or soap scum.

First aid

If inhaled, remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a poison center or physician. **If swallowed**, immediately call a poison center or physician. Rinse mouth. Do not induce vomiting. **If on skin (or hair)**, take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. Immediately call a poison center or physician. **If in eyes**, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or physician. Store locked up. Dispose of contents and container in accordance with all local, regional, national and international regulations.
