

V01417

CARPET SPIN BRITE™ BONNET CARPET CLEANER

Description

Surface soils on carpet are unsightly and can lead to permanent damage. Bonnet cleaning provides an advantage with rapid dry time. This formulation dries in less than one hour, is nonflammable, evaporates fast and cleans a wide variety of soils while leaving no residue.

Product directions

Dilute product at (1:135) with water.

For rotary bonnet buffing or light cleaning, spray solution onto the carpet and bonnet, then rotary machine buff.

For heavy-duty cleaning, submerge bonnet in solution. Wring out and buff with rotary machine. For best results, use two buckets; one for rinsing dirty bonnets, the second for cleaning solution. Spray heavily soiled areas of carpet before cleaning.

For spotting, use as is. Apply to tough spots and stains. Please recycle empty containers.

First aid

If on skin, wash with plenty of soap and water. Take off contaminated clothing. Wash contaminated clothing before reuse. If skin irritation occurs get medical attention. **If in eyes**, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.
