

V00478

CARPET & UPHOLSTERY FOAMING SPOTTER

Description

This water based universal spot and stain remover uses the latest technology in surfactants, wetting agents and solvents to give the user a powerful and fast acting way to remove both water based and oil based spots and stains. Saturates and dissolves such stains as: butter, cooking oils, grease, crayon, lipstick, make-up, oil, shoe polish, ink, catsup, coffee, tea, blood, urine and many more. Upside down spray valve allows for easy application.

Product directions

If rug or upholstery/carpet is being cleaned for the first time, check a small area for color fastness. Do not use on silk.

1. Vacuum thoroughly. If needed, place wax paper under furniture legs.
2. Spray about two feet from floor. Use sweeping motion to cover an area about three feet square with light, even layer of foam.
3. Wet sponge or sponge mop in clean water and spread foam in evenly. Gradually increase sponge pressure and go across same area at right angles until foam disappears. Then sponge in one direction to raise nap. Scrubbing may be necessary if badly soiled.
4. After area is dry (2-4 hours) vacuum to remove dried cleaner and loosened soil.

First aid

Important: Please make sure your employees read and understand the product label and Safety Data Sheet (SDS) before using this product. See the label for use directions and the SDS for hazard warnings, precautions, first aid, storage and handling data.
