## BASE SHOOTER™ GEL BASEBOARD STRIPPER

### Description

Base Shooter™ Gel Baseboard Stripper is a heavy duty cleaner and stripper for build-up on baseboards, corners, door stops and other surfaces where waxes need to be removed. The clinging gel provides increased contact time to allow the product to penetrate and lift off even the heaviest accumulations of wax and oxidized polymers. The inverted valve provides easy and accurate application. It is also an ideal maintenance product to clean up stripping and buffing machines.

### Product directions
