

# V01461

## FOAM UP™ HEAVY DUTY FOAMING DEGREASER

### Description

Carefully formulated to be used on many surfaces in food processing areas to quickly remove all types of animal fats and associated soils. This product produces a clinging foam which rapidly emulsifies and removes animal fat grease vegetable oils animal blood and other problem soils. Rinsing of all hard surfaces such as floors walls and equipment will leave them odorless and film free.

### Product directions

**For manual applications,** use mop, brush or sponge. Dilute 6 oz/gal or 47 mL/L (1:21) with medium hot water. Apply and let stand 5 minutes. Rinse well.

**For spray application,** use full strength in sprayer reservoir. Proportioning device should be set from 1 – 5 for heavily soiled areas; up to 1 – 25 for lighter soil. Apply and let stand 5 minutes. Use medium hot water. Rinse well afterwards.

**For food plant use,** surfaces are to be rinsed with potable water following the use of this product.

### First aid

**If inhaled,** remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a poison center or physician. **If swallowed,** immediately call a poison center or physician. Rinse mouth. Do not induce vomiting. **If on skin (or hair),** take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. Immediately call a poison center or physician. **If in eyes,** rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or physician.
