

V01438

R6 STINGER® CITRUS CLEANER & DEGREASER

Description

The superior performance of this cleaner/degreaser is provided by a synergistic mixture of natural citrus solvents and a totally unique surfactant system. This formula is nonflammable, yet it will out-clean most solvent cleaners.

Product directions

Concentrated product and strong dilutions will discolor aluminum and other soft metals. Dilute with water for general maintenance. For food plant and other industrial use only. Food contact surfaces are to be rinsed with potable water following treatment with this product. Avoid contamination of food in the application and storage of this product.

1. Fill container using a Reliable Brand dilution control dispenser
2. Apply product to soil and surface
3. Agitate the soil with a rag, sponge or brush and rinse as necessary

First aid

If inhaled, remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a poison center or physician. **If swallowed**, immediately call a poison center or physician. Rinse mouth. Do not induce vomiting. **If on skin (or hair)**, take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. Immediately call a poison center or physician. **If in eyes**, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or physician. Store locked up. Dispose of contents and container in accordance with all local, regional, national and international regulations.
