DAILY NEUTRAL FLOOR CLEANER

Description

Daily neutral floor cleaner is a low foaming, free rinsing formulation. It is a neutral floor cleaner designed to remove embedded soils from hard surfaces without any residue leaving the floor streak-free and shiny. It can be used from a pail, spray bottle, as well as in an automatic scrubber facilitating a quick pick-up. Its peppermint fragrance will leave areas smelling fresh and clean.

Use Directions

Completely remove old finish and sealer from the floor using a floor stripper and rinse thoroughly. When floor is dry apply 2-3 uniform coats of finish. Allow 30 minutes drying time between coats.

Damp mopping: Mix 1 part cleaner to 80 parts water.

Floor Cleaning: Mix 1 part cleaner to 40 parts water.

Heavy Duty Cleaning: Mix 1 part cleaner to 20 parts water.

Autoscrubber: Use approximately 1 part cleaner to 65 parts water per tank to clean normal soils from surfaces. Increase concentration if necessary.

Precautions for Food Plants:

Must be applied in keeping with manufacturers' recommendations for application on hard smooth level surfaces. To avert possible adverse organoleptic effects in food, which are processed in the area, adequate precautions should be taken to ensure that the volatile constituents of the applied products do not contaminate the foods.

Technical Specifications

Appearance: Clear Liquid

Colour: Green

Scent: Peppermint

Specific Gravity: 0.995 – 1.015

pH: 7.0 – 7.8

Refractive Index (% Brix): 2.0 – 4.0%
