

V02058, V02059

GREEN SCRUB PAD

Description

The Green Scrub Pad is constructed of polyester fibers in a semi-open textured, nonwoven fabrication and is designed for deep scrubbing. Abrasive particles are dispersed throughout and bonded to the nonwoven construction with a durable adhesive.

Directions for use

Sweep or dust mop floors prior to scrubbing. Scrub floor using a standard electric or automatic scrubber. Remove cleaning solution with a damp mop or wet vacuum if using a standard electric machine. Rinse floor and let dry prior to recoating.

Construction

The Green Scrub Pad is constructed of polyester fibers along with synthetic adhesives that will not be notably affected by water or cleaners used in standard floor maintenance. The abrasives used in this product are synthetic. This pad has been designed for use on both sides.

Product care

To prolong the life of this product, it may be washed using a hose with a pressure spray nozzle to remove soil. To dissolve heavy soil or finish, this pad may be soaked in detergent or diluted stripping solution prior to washing.

"Green" initiative

- The polyester fiber used in our pads comes from 100% post-consumer and industrial recycled waste products.
- Full Cycle® formulated to biodegrade* in a fraction of the time that it takes conventional floor pads once discarded into an active landfill.
- Water-based latex resins are used in the manufacturing process. No phenol-formaldehyde resins are used in our binding process.
- Shipping cartons contain at least 45% recycled material.
- Plant is operating under EPA approved Clean Air Permit.

Features/Benefits

Use with a cleaning solution to scrub hard floor surfaces. This pad will aggressively remove dirt and scuff marks from heavily soiled floors. It is also designed for light stripping. For use on standard electric floor machines or automatic scrubbers. Ideal for use with machine speeds up to 350 rpm.

Specifications

V02058: 17" dia
V02059: 20" dia
Center hole: 3.25"
Thickness: 1.0"
Weight: 40 osy
Fiber type: Recycled polyester
Binder system: Cross-linkable, water-based
Binder application: Spray/Dip
Abrasive application: Spray/Dip
Abrasive: Yes
Colour: Green
Green Seal™ certified

Packaging

5/Case

Full Cycle® Products are certified by Green Seal® for Environmental Innovation based on faster biodegradation in landfill conditions and 100% recycled content/natural fiber. GreenSeal.org/GS20
