

V03330, V03331

LOW ODOR FLOOR STRIPPER

Description

This product quickly unlocks the molecular structure of all types of floor finishes and sealers. It is great for cutting wax build-up, grease, oil and dirt. The unique chemical elements penetrate, dissolve and lift the wax to the surface to be picked up easily. There is no strong chemical odor associated with the product. Safe for use on all floors not harmed by water.

Product Directions

Normal Strip: Dilute 33 mL/L (1:30) of water.

Heavy Strip: Dilute 62.5 mL/L (1:16) of water. Apply solution liberally to floors or surface. Allow 5–10 minutes contact time. Be sure to keep surface wet at all times. Agitate with a brush, abrasive pad, low speed rotary machine, automatic scrubber or strip machine. Pick up solution with a wet vacuum, automatic scrubber or mop and bucket thoroughly. Rinse the floors with warm water. Wash floors with a neutral detergent. Allow floors to dry completely before applying finish or sealer. Refer to product SDS.

First Aid

Danger! Harmful if swallowed. Causes severe skin burns and eye damage. May cause respiratory irritation. Wear protective gloves, eye and face protection, and protective clothing. Use only outdoors or in a well-ventilated area. Avoid breathing vapor. Do not eat, drink or smoke when using this product. Wash hands thoroughly after handling. **Keep out of reach of children.**

If inhaled: Move victim to fresh air and keep comfortable for breathing. **If ingested:** Do not induce vomiting. If patient is conscious, rinse mouth. **If on skin:** Flush skin with plenty of water, take off all contaminated clothing. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. **In all cases get medical attention immediately.**

Application

Recommended for water-based acrylic and urethane fortified floors or finishes from all types of resilient tile and hard surfaces

Features/Benefits

- Specially formulated to quickly and easily remove floor finish
- Reduces labor costs associated with floor refinishing
- Easy to rinse formulation
- Low odor

Specifications

- Colour: Purple
- Scent: Characteristic
- pH: 13
- Diluted pH: 11.5-12, 12-12.5
- Dilution: 1:30, 1:16
- Density: 1.06

Packaging

- V03330: 4/4 L
- V03331: 2/10 L
