LOW ODOR FLOOR STRIPPER

Description

Low Odor Floor Stripper is a powerful and fast acting very low odour floor stripper, containing a blend of water soluble agents that quickly penetrates and dissolves waxes and floor finishes (including all new generation water based acrylic and urethane sealers). Low Odor Floor Stripper works best in cold water while its excellent stripping and low odour characteristics guarantees optimum performance. It is an ammonia and 2-butoxy ethanol free formulation.

Product Directions

To remove floor sealers or finishes: Mix 1 part concentrate to 4 parts cold water.

1. Apply solution liberally to a small area and allow to work for 5 to 10 minutes before scrubbing. Always keep floor wet.
2. Scrub using a deck brush or a suitable abrasive pad under a floor machine.
3. Pick-up solution.
4. Make a final rinse using a neutralizing agent and pick-up solution.

Technical Specifications

Appearance: Transparent Liquid

Colour: Yellowish

Scent: Amine

Specific Gravity: 1.000 – 1.040

pH: 11.0 – 12.0

Refractive Index (% Brix): 19.0 – 22.0%
