

V03320

BLUE SKY RTU HIGH PERFORMANCE ODOR ELIMINATOR

Description

Blue Sky is a proprietary dual malodor counteractant that is effective on all odor sources. Scientifically built and designed by utilizing actual outdoor sensory, the positive impact on your facility and occupants is like no other in the market today.

Product directions

For malodor treatment, mist directly into the air. To eliminate odors on fabric or hard surfaces, spray directly on surface using trigger sprayer.

For carpet shampoos/carpet extractors as an additive, pour 2 oz of product directly to the tank.

For fogging machines, pour product into fogging machine to atomize into room.

First aid

If splashed in eyes, flush with large quantities of water. Call a physician if irritation persists. **If swallowed**, do not induce vomiting. Rinse out mouth with water. Call a physician.
